

Christina Grimmie - The One I Crave

```
You could say that he's on trial D G
 (com acordes na forma de D )
                                                                                                                              But whenever we're alone
Capostraste na 3ª casa
Intro: D G
  D G
D G Bm D
                                                                                                                             Your jaw's like a gramophone, cause D G
                                                                                                                              When he goes off the field Bm D
I saw him at the corner store
                                                                                                                              With him goes his appeal
He gave me candy
   G
                                                                                                                              So I'm back to square one
I came back for more {\color{red} \mathbf{D}}
                                                                                                                              With Mr. Good For Nothing John
I asked for his name
Bm
                                                                                                                                Bm G
                                                                                                                              Ever since he brought me down
D
Em
He said call me J for James
                                                                                                                              I can't get off the ground
D
Em
  D G
He was 6'2 lots of style
                                                                                                                              It's not like I don't try

Bm G
He had the recipe to make you smile \frac{D}{C}
                                                                                                                              And I'm pretty easy on the eye
But he got too popular with the girls
                                                                                                                              But the one I really crave
So I erased him from my world
                                                                                                                                      Bm
                                                                                                                              Is the one that got away
                                                                                                                             With each boy he gets worse Bm G
The next boy was cute and shy
But he never really looked me in the eye D \ensuremath{\mathsf{G}}
                                                                                                                              But I'm still stuck on the first
                                                                                                                                       Fm
                                                                                                                             Really hate to say
Secretive I was intrigued
He was sweet, his name was Pete (Sweet Pete) {\color{red} \mathbf{G}}
                                                                                                                              I want the one that got away
First time that he took me out
                                                                                                                              Here she goes again
I didn't know what to talk about
                                                                                                                              With another boy on her hands
So I took the initiative
                                                                                                                                 Em
Bm Bm D
And told Pete he had to leave
                                                                                                                              Word goes around
                                                                                                                              Real fast in this small town
So I'm back to square one
                                                                                                                              All these rumors like I'm a stark
          D
                                                                                                                                                                D
                                                                                                                              Just wanna find someone to give my heart \begin{picture}(60,0) \put(0,0){\line(0,0){100}} \put(0,0
