Intro: G D Em7 D C D D

Verso 1:

The day we met
Frozen, I held my breath
Right from the start
I knew that I found a home for my
Heart beats fast
Colours and promises
How to be brave
How can I love when I'm afraid to fall
But watching you stand alone
All of my doubt suddenly goes away somehow
One step closer

Refrão:

I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I love you for a thousand more

Verso 2:

Time stands still
Beauty in all she is
I will be brave
I will not let anything take away
What's standing in front of me

Every breath
Every hour has come to this
One step closer

Refrão:

I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me I have loved you
For a thousand years
I love you for a thousand more
I love you for a thousand more

One step closer

Refrão:

I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me I have loved you
For a thousand years
I love you for a thousand more
