

# Christina Perri - A Thousand Years (Part.2)

Tom: Bb

(com acordes na forma de  
Capotraste na 3ª casa  
Intro: G D Em D C D D

Verso 1:

The day we met  
Frozen, I held my breath  
Right from the start  
I knew that I found a home for my  
Heart beats fast  
Colours and promises  
How to be brave  
How can I love when I'm afraid to fall  
But watching you stand alone  
All of my doubt suddenly goes away somehow  
One step closer

Refrão:

I have died everyday waiting for you  
Darling don't be afraid I have loved you  
For a thousand years  
I love you for a thousand more

Verso 2:

Time stands still  
Beauty in all she is  
I will be brave  
I will not let anything take away  
What's standing in front of me

G )

Every breath  
Every hour has come to this  
One step closer

Refrão:

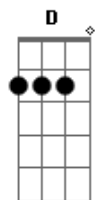

I have died everyday waiting for you  
Darling don't be afraid I have loved you  
For a thousand years  
I love you for a thousand more  
And all along I believed I would find you  
Time has brought your heart to me I have loved you  
For a thousand years  
I love you for a thousand more  
I love you for a thousand more

One step closer

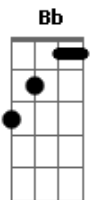

Refrão:

I have died everyday waiting for you  
Darling don't be afraid I have loved you  
For a thousand years  
I love you for a thousand more  
And all along I believed I would find you  
Time has brought your heart to me I have loved you  
For a thousand years  
I love you for a thousand more
