

Christopher - Nothing In Common

tom:

C

You might say no to me C Em
But to me a no is so indifferently Am F
I drag along your way C Em
It's your way I'm hanging in so desperately Am F
I beg you please to start believe that it's way too soon C Em Am
To change your way F

C
You can feel that our love
Em
Is fading out, out of touch (oh)
Am F
And you say we've got nothing in common
C
You're so crazy, I'm sane
Em
You got heart, I got brains
Am F
And there's nothing that

We have in common at all
C Em Am
Oh, oh, oh
F
Nothing in common
C Em Am
Oh, oh, oh no no
F

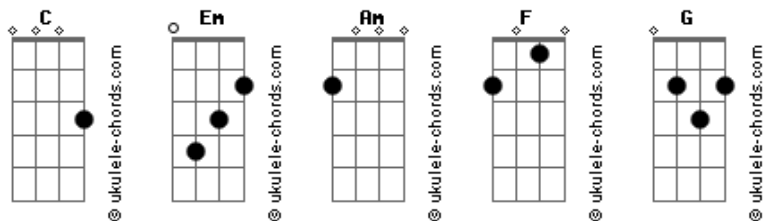

C Em
I listen to your words
Am F
And it hurts when you tell me

How I'm supposed to be
C Em
You tell me to suit up, get a job
Am F
It makes you crazy that I cannot see
C Em
'Cause I got heart, got soul
Am

I play the guitar F
It's too late to change your way

C
You can feel that our love
