[Primeira Parte]

I?m still in love with you even though i know that we are changing

We?re getting older in time like forever and stay so young

Oh, this place isn?t what i remember it?s more of a painting

My mind sees in black and white, while my heart sees in colors

[Pré-Refrão]

Baby do you ever feel like you don?t belong

I-i-i-i do-o-oh yeah

[Refrão]

It?s all I want

It?s all I want

It?s all I want

For you to see the world like i do, yeah

It?s all I want

It?s all I want

For you to see the world in color again

[Ponte]

Oh no-no, oh-oh yeah

For you to see the world like i do, yeah

Oh baby, oh yeah-yeah

Gb B Db

For you to see the world in color again

[Segunda Parte]

What is around me I?m dreaming of life ever after

When we?re something so new that takes you away from this world

And I?m thinking about your smile and all of your laughter

My mind sees in black and white well i still see in color

[Pré-Refrão]

Oh, Baby do you feel like you don?t belong

But I-i-i-i do-o-oh yeah

For you to see the world like i do, yeah
