

Chrystian - Lies

tom:

If you love me let me know, if you care about my love
 It's time to show it or let me go
 I don't want to be just anyone
 That you treat the way you used to do
 It's just not fair the way you play with love, my love

You're lying all the lies are in your eyes
 You're hurting me
 You broke my heart and made me cry
 I must stop to be a fool in your arms
 A prisoner of your charms

You're lying all the lies are in your eyes
 You're hurting me
 You broke my heart and made me cry
 I must stop to be a fool in your arms
 A prisoner of your charms
