

Chrystian - Sorrows

Tom: C
Intro: Dm : Dm : Bm : E : Am

I have been here with my sorrows
Because my love in your eyes I don't see
(I'm) gonna have so tomorrows
'Cause now I've lost you again.

In all my dreams I was happy
Because my love in your eyes I could see
Now my dreams are deep sorrows
Until I have you again.

And now my life is filled with pains
Since I can't have chance to see you again
To walk together hand in hand
And talk about our love dear and then

I've been here with my sorrows
Still loving you again.

FLUTE SOLO: Am : Dm : E : F : Em A7 : Dm : E7 :

In all my dreams I was happy
Because my love in your eyes I could see
Now my dreams are deep sorrows
Until I have you again.

And now my life is filled with pains
Since I can't have chance to see you again
To walk together hand in hand
REPEAT 2 Times
And talk about our love dear and then
and Fade Out.
I've been here with my sorrows
Still loving you again.
