

Chrystian - Sorrows

```
Intro: Dm : Dm : Bm : E : Am
I have been here with my sorrows
 E G C Em
Because my love in your eyes I don't see
             Dm
(I'm) gonna have so tomorrows
     E7
'Cause now
          I've lost you again.
In all my dreams I was happy
E G C Em Am
Because my love in your eyes I could see
            Dm
Now my dreams are deep sorrows
Until I have you again.
And now my life
                is filled with pains
                      Em
Since I can't have
                   chance to see
                                  you again
                    G7
        Dm
To walk together
                 hand in hand
                  Em Am
And talk about our love dear and then
                   Dm
```

```
I've been here with my sorrows
     Am
Still loving you again.
FLUTE SOLO: Am : Dm : E : F : Em A7 : Dm : E7 :
In all my dreams I was happy \underline{\phantom{a}}
E G C Em Am
Because my love in your eyes I could see
              Dm
Now my dreams are deep sorrows
Until I have you again.
And now my life is filled with pains
                         Em
Since I can't have
                     chance to see
                                      you again
                         G7
        Dm
To walk together
                    hand in hand
REPEAT 2 Times
                      Em Am
And talk about our love dear and then
I've been here with my sorrows
Still loving you again.
