

# CHSKA - i know you know

tom:  
**Dbm** (forma dos acordes no tom de **Am** )  
 Capostraste na 4ª casa

**Am**  
 I know you know  
**D**  
 That I love you so  
**G**  
 Everything mundane  
**E7**  
 You make it harder to explain  
**Am**  
 Take all my ego and my pride  
**D**  
 My issues aside  
**G**  
 I won't win a fight  
**E7**  
 And lose you by my side, baby

**Am**  
 Cross the seven seas

**D**  
 Drive along the streets  
**D**  
 Write along a beat

**G**  
 Bring you home with me  
**G**  
 Kiss you in the heat

**E7**  
 Smoke a little weed  
**E7**  
 That's how I know you're real

**Am**  
 When you wanna go

**D**  
 I can take you home  
**D**  
 Stop along the road

**G**  
 'Long as we're alone  
**G**  
 Hold you to a song

**E7**  
 Miss you when you go  
**E7**  
 That's how I know you're real

**Am** **D**  
 I can wait for so much and longer  
**G** **E7**  
 If it meant I'd be holding you forever  
**Am** **D**  
 And time won't be a problem, no baby

**G**  
 'Cause I just want you  
**E7**  
 I just want-

**Am**  
 I know you know  
**D**  
 That I need you so  
**G**  
 Everything in vain  
**E7**

## Acordes

 Committing feelings

 Now I'm fucked up  
**E7**  
 I won't fuck up
