Early in the evening when the sun is sinking low
All day I've been waiting for the whistle to blow
Sitting in a tee-pee built right on the track
Rolling them bones 'till the foreman come back
Pick up your belongings boys and scatter about
We got an off scheduled train coming two miles out

Verse 3:

Everybody's scrambling and running around
Picking up the money, tear the teepee down
Foreman was in panic, 'bout to go insane
Trying to get the workers out the way of the train
Engineer blowing the whistle loud and long
Can't stop the train we got to let it roll on
