

Chumbawamba - Dumbing Down

tom:

B

Intro: B E Dbm Gb

Are you happy here in Theme Park, U.S.A.?

And do you sometimes wish that your life was plug and play?

And are the words to this song concise enough to follow?

Is your smart food simple enough to swallow?

We're dumbing down

Dumbing down down

We're dumbing down

Dumbing down down

Acordes

(B E Dbm Gb)
(B E Dbm Gb)

Are we only eating worms from a can just because we can?

And is disneyland all we understand?

Will our history be written out in headlines?

Diana dolls, and miracles, and land mines?

We're dumbing down

Dumbing down down

We're dumbing down

Dumbing down down
