

# Chvrches - Gun

Tom: F  
Intro: Bb Dm C

Bb  
You had better run from me  
Dm C  
With everything you own  
Bb  
Cause I am gonna come for you  
C  
With all that I have  
Bb  
I am gonna break you down  
Dm C  
To tiny, tiny parts  
Bb  
I never believed  
But I see it now  
C  
I'm learning your lesson, I'm learning your lesson

Dm C  
Did it make you feel so clever

Dm C  
Did you see another picture  
Bb  
Where I was not a part so far entwined

C  
There's no other way  
Dm  
Never run far  
Bb  
Take a good swing at me  
And everything is even  
F  
So finally, we agree

No place for promises here  
You better run, you better run so

Hide, hide  
Bb  
I have burned your bridges  
I'll be a gun  
C  
And it's you I'll come for  
Hide, hide  
Bb  
Now it's all so easy  
I will be a gun  
And it's you I'll come for

Bb  
Who are you to tell me how  
C  
To keep myself afloat  
Dm  
I tread the water all the while

You stuck in the knife  
That you held at my back
