

# Ciara - Never Ever

tom: B

Intro: B E

B

Throw ya hands up in the air

(if you know he love ya)

Tell the DJ play this song right here

(if you know he love ya)

E

Let let let let me see you to step

(if you know he love ya)

It don't matta if you by yourself

(if you know he love ya)

B

If that boy don't love you by now

E

He will never ever, never ever love you

He will never ever, never ever love you

Oh

B

If that boy don't love you by now

E

He will never ever, never ever love you

He will never ever, never ever love you

B

I know you think that I just be

Trippin' on ya boy, you see

This ain't how I normally be

But I can't help this jealousy

E

Ooo it's takin' over me

Ooo I'm fallin' way too deep

Without you by my side I feel like I can't eat or sleep

B

But I

Gotta come down to earth, I don't wanna

But I

Gotta let ya go but baby I don't wanna

E

And I

I gotta see, that yo and me, ain't meant to be

Thats why I tell myself

B

If that boy don't love you by now

(if that boy don't love you by now, he will)

E

He will never ever, never ever love you

He will never ever, never ever love you

Oh

B

If that boy don't love you by now

(if he don't love you)

E

He will never ever, never ever love you

(girl he will never love you)

He will never ever, never ever love you

He will

I can't help but fantacize

Wonderin' what it might be like

You and I sound so right

But I'ma let it go tonight

E

Ain't nothing coverin my eyes

Ain't gotta see it more than twice

I get it, I got it baby, baby

B

But I

Gotta come down to earth, I don't wanna

But I

Gotta let ya go but baby I don't wanna

E

And I

I gotta see, that you and me, ain't meant to be

That's why I tell myself

B

If that boy don't love you by now

(if that boy don't love you by now)

E

He will never ever, never ever love you

He will never ever, never nver love you

B

If that boy don't love you by now (yeah)

E

He will never ever, never ever love you

(you got the right one baby, yeah)

He will never ever, never ever love you

Oooo help me sing it (lets go!)

B

Alright alright alright ok

I see ya point I must admit

I grind I grind I grind all day

This papers what I'm tryna get

E

Now normally when I'm paper chasin

I be havin' tons of it

And if it's really like that lady

Just turn on your television

B

And there go young, I said there go young

You tryn'a get it did, just know I get it done

E

She love the way I cheat, she love the way I move

I shh I show up 2 a shows bout a hundred dude

B

Black this black that black car black fats

I really hope that's money that yall

Got off in them black bags

E

808'S and heartbreaks

Stay we interstate

Givin' me a bad vibe

Guess I'm just the bad guy

**B**  
Throw ya hands up in the air (if you know he love ya)

Tell the DJ play this song right here

(if you know he love ya)  
**E**

Let let let me see you 2 step (if you know he love ya)

It don't matta if you by yourself

(if you know he love ya)  
**B**  
Dum dum ba dum dum dum (if you know he love ya)  
**E**  
Lemme see you 2 step (if you know he love ya)

Matta if you by yaself (if you know he love ya)  
**B**  
Throw ya hands up in the air

When they play this song right here

## Acordes
