

# Ciaran Lavery - Shame

tom:

C

[Primeira Parte]

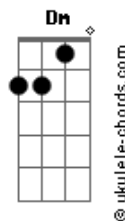

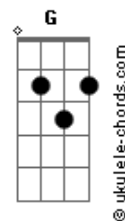

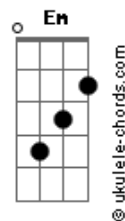

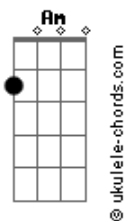

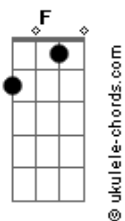

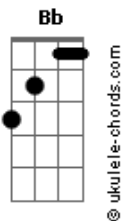

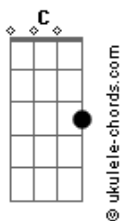

C  
All my friends they shoulder me  
Bb  
And my poor head of woe  
F C G2  
They know I'm good, but I want to be bad  
Standing there with the lights down low  
And the lovers who make love  
They see me smiling, but I want to be sad

[Refrão 1]

Am  
Would you light me up?  
Em  
Really, set me on fire  
F C G  
And be there when I'm burning out  
Would you hold my head  
?Neath the water tap  
And elbow me if I get too loud?

[Refrão 2]
