

Cicero Nogueira - Igreja Universal

tom:

Intro: F Bb F C F
F Bb F C F

Por sobre a pedra que outros rejeitaram

A igreja universal se levantou

E as portas do inferno se fecharam

Depois que o Cristo vivo triunfou

Tu és o Cristo, filho do Deus vivo

Vieste a tua igreja libertar

Vencendo o inimigo audaz e altivo

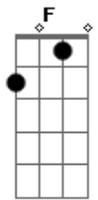

E a salvação mandaste proclamar

A igreja universal tão gloriosa

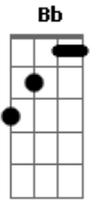

Da qual é Deus o sábio construtor

Firmada tem suas bases poderosas

Na rocha eterna, Cristo salvador

Tu és o Cristo, filho do Deus vivo

Vieste a tua igreja libertar

Vencendo o inimigo audaz e altivo

E a salvação mandaste proclamar

Sob este fundamento inabalável

Triunfa e marcha a igreja de Jesus

Falando do poder inesgotável

Do sangue que vertido foi na cruz

Tu és o Cristo, filho do Deus vivo

Vieste a tua igreja libertar

Vencendo o inimigo audaz e altivo

E a salvação mandaste proclamar
