## Cidia e Dan - Cruising

```
Just release and you will find
[Baby let's cruise]
Gbm E Gbm
                                                               Chorus:
(Away from here)
                                                               Cruise with me baby
[Don't be confused]
                                                               E Gbm
                                                               Ooooooooooooohhhhhhhh [Yeah,]
Gbm E Gbm
(The way is clear)
                                                Gbm
                                                               (0ooooooooooohhhhhhh)
And if you want it, you got it forever
This is not a one night stand baby (Yeah)
                                                               Oooohhh baby let's cruise (Let's float, let's glide)
So, let the music take your mind
                                                               Gbm E Gbm E Gbm
                                     Gbm
                                                               Oooohh Let's open up (and go inside)
Just release and you will find
                                                               And if you want it, you got it forever
You're gonna fly away
                                                               I could just stay here beside you and love you baby
Glad you're goin my way
                                                               Let the music (take your mind)
I love it when we're cruisin' together
                                                               Just release and [you will find]
Music is played for love
                                                               Chorus:
Cruisin' is made for love
I love it when we're cruisin' together
                                                               You're gonna fly away
                                                               Glad you're goin my way
[Baby tonight]
                                                               I love it when we're cruisin' together
Gbm E Gbm
(Belongs to us)
                                                               Music is played for love
[Everything right]
                                                               Cruisin' is made for love
        E Gbm
                                                               D B E
(Do what you must)
                                                               I love it when we're cruisin' together
                                                  Gbm
                                                               (00ohh)
And inch by inch we grow closer and closer \stackrel{-}{\mathsf{E}}
                                                               [Cruise with me baby]
To every lil part of each other (Oooh baby yeah)
                                                               (I love it when we're cruisin together)
[Sooo] Let the music take your mind
