

Cidia e Dan - You've Got a Friend

Tom: A

Obs.: O Riff é meio chatinho de tirar mas esse dá para usar legal,
fica bem parecido, mas se alguém puder dar uma ajuda!

When you're down and troubled /
and you need a some love and care and nothing ,
nothing is going right
close your eyes and think of me and soon
I will be there
to brighten up even your darkest night
REFRAIN:
you just call out my name and you know wherever
I am I'll come running to see you again

Winter, spring , summer or fall all you
have to do is call and I'll be there
(yes I will) You've got a friend
If the sky above you grows
dark and full of clouds and that old north
wind begin to blow
Keep your head together and call my name
out loud/ Soon you'll hear me knocking at your door
REFRAIN
Now ain't it good to know that
you've got a friend when people can be so cold
they'll hurt you, yes, and desert you
They'll take your soul if you let them
Ooh, but don't you let them REFRAIN
