## **Cigarettes After Sex - I Can See You**

```
Now we're strolling by the lake
                           tom:
                                                                           F
                                                                                       C
                                                              Now we're walking to the ocean
