Sun sets, we wander through a foreign town

Strangely, there's nobody else around  
F Am Dm C  
See you open your dress and show me your tights  
F Am Dm C  
On the swing set at the old playground

F Am Dm C  
And when you go away, I still see you  
F Am Dm C  
The sunlight on your face in the rearview

F Am Dm C  
Sun sets, I want to hear your voice  
F Am Dm C  
A love that nobody could destroy  
F Am Dm C

Took photographs like prodigals  
F Am Dm C  
Book covers that we both adored

F Am Dm C  
And when you go away, I still see you  
F Am Dm C  
The sunlight on your face in my rearview

This always happens to me this way

Recurring visions of such sweet days
