tom:

Intro: Abm B Ebm Gb Ebm7

Oh, I missed you and I cried Abm B  
But I said that I was alright Gb Ebm7  
And I know it's been a while Abm B  
Since I needed a distraction Gb Ebm7

Cause I wanna do everything Abm B  
That you want me to, to tell you the truth Gb Ebm7  
I need to stay alive Abm B  
So sad that I could die Gb Ebm7

It's leading me on, every time we touch Abm B  
Leading me on, every time it hurts Gb Ebm7  
Feeling so lonely, 'cause it's not enough Abm B  
Missin' you only, ever since we fell in love Gb Ebm7

And I watched you do a line Abm B  
That you spread out on the table Gb Ebm7  
I don't need to say a word Abm B  
I just wanna see you upside down Gb Ebm7

I wanna do everything Abm B  
That you want me to, to tell you the truth Gb Ebm7  
Abm B Gb

I listen to you cry all night Ebm7  
Through the telephone

It's leading me on, every time we touch Abm B  
Leading me on, every time it hurts Gb Ebm7  
Feeling so lonely, 'cause it's not enough Abm B  
Missin' you only, ever since we fell in love Gb Ebm7  
( Abm B Gb Ebm7 )

[Ponte]

Couldn't say you didn't want me there Abm B  
When we were lyin' in my bed that night Gb Ebm7  
You were acting like a different person Abm B  
As if, suddenly, you wanted to just be friends Gb Ebm7  
I was hurting so I took a shower B  
So you couldn't hear me, knowing I had to cry Gb Ebm7 Abm  
Sad to know that while my heart was breaking B  
You were sleeping normal, just vacant Gb Ebm7  
It's leading me on, every time we touch Abm B  
Leading me on, every time it hurts Gb Ebm7  
Feeling so lonely, 'cause it's not enough Abm B  
Missin' you only, ever since we fell in love Gb Ebm7
