

# Cimorelli - Alive

Tom: G

I sat alone <sup>Am</sup> in the cold  
<sup>D</sup> In my room that night  
<sup>C</sup> My face was red with the tears  
<sup>G</sup> Of a thousand and one lonely nights  
<sup>Em</sup> No one came  
<sup>G</sup> No one called  
<sup>Em</sup> No one cared  
<sup>G</sup> And no one saw

<sup>C</sup> And yet everything was alright  
<sup>Em</sup> As I sat there in my loneliness  
<sup>C</sup> Wrapped my arms around my knees  
<sup>C</sup> And I held tight  
<sup>D</sup> I could feel my heart beat  
<sup>C</sup> That's how I knew

<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive, I'm alive, I'm alive, I'm alive  
<sup>Em</sup> I'm alive, I'm alive  
<sup>G</sup> I feel because I'm alive

( C G D Em C G D )

<sup>Em</sup> Sometimes it's not easy to  
<sup>G</sup> And I don't want to feel

<sup>Em</sup> But if I close off and just be numb  
<sup>G</sup> What would I become?  
<sup>Em</sup> Shutting down  
<sup>G</sup> Getting by  
<sup>Em</sup> Even though  
<sup>G</sup> There's pain inside  
<sup>C</sup> Is how I know

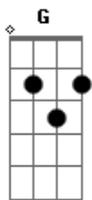

<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive, I'm alive, I'm alive, I'm alive  
<sup>Em</sup> I'm alive, I'm alive  
<sup>G</sup> I feel because I'm alive

<sup>Em</sup> And if I break  
<sup>D</sup> Wanna feel every single thing  
<sup>C</sup> I'm alive  
<sup>Em</sup> I wanna live, not just survive

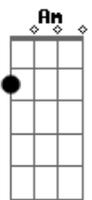

<sup>Em</sup> I'm alive  
<sup>G</sup> I'm alive  
<sup>Em</sup> I'm alive  
<sup>G</sup> I'm alive  
<sup>G</sup> I'm alive  
<sup>Em</sup> I'm alive  
<sup>Em</sup> I'm alive, I'm alive, I'm alive, I'm alive  
<sup>Em</sup> I'm alive, I'm alive

( G )
