I'll wear my crown as the queen of ambiguity  
D  
Cause you know I never say what I mean

C G  
So don't you dare tell me I'm incredible  
Em C D  
When I know that my phone ain't gonna ring  
C G  
And don't you dare tell me that I'm special  
Em  
D  
When you know that you don't wanna be with me

Em G C

Am

And I'll run away but I'll come running back  
Em  
I'll say I'm done

But you know that I don't mean it  
Am  
You'll start to see her and I'll wonder why  
D  
She gets to be the one that's on your mind

C G  
So don't you dare tell me I'm incredible  
Em C D  
When I know that my phone ain't gonna ring  
C G  
And don't you dare tell me that I'm special  
Em

I'll try to listen to sad songs  
D  
but I'll just feel insane  
Am

D  
'Cause I know that we were never that deep anyway  
C G  
Now you're more distant than the stars  
Em D  
I just wanna be where you are  
C

They say you can't lose something you never had  
Em D

Em C  
Cause girls like me

Want guys like you  
Am C  
And maybe girls like me  
Am G C  
We don't need guys like you  
G
