

# Cimorelli - Million Bucks

Tom: **Bb**

**Gm** **Bb**  
 I don't need a thousand people screaming my name  
**Dm** **C**  
 I don't need overnight hollywood fame  
**Bb**  
 I don't need platinum records up on the wall  
**Dm** **C**  
 I don't need a lamborghini in the garage  
**Cm** **Eb**  
 Oh, woah, woah...  
**Bb**  
 Those things won't last forever  
**Cm** **Eb**  
 Oh, woah, woah...  
**F**  
 What i got is so much better  
**Gm** **Eb**

You and me, on a summer night  
**Bb** **F**  
 Park that car dancing in the headlights  
**Gm** **Eb**  
 You and i, late night drives  
**Bb** **F**  
 Your hand in mine, and all your time  
**Gm** **Gm**  
 I don't need money in my pocket,  
**Eb**  
 Diamonds on my neck  
**Bb**  
 The time i spent with you  
**F**  
 I know, i'll never forget  
**Gm** **Eb**  
 You and me, is more than enough  
**Bb** **F**  
 'cause you make me feel  
 Like a million bucks
