Okay everybody
N.C.
Get out of your seats
N.C.
Raise your right hand
N.C.
And repeat after me

[Ponte]

N.C.
We C-R-Y
N.C.
We don't keep it inside
N.C.
We might get it wrong
N.C.
But at least we tried
N.C.
We're smart girls, strong girls
N.C.
One of a kind
N.C.
We're sad girls, mad girls
N.C.
We are alive **G**

We get knocked down

But we get back up **Dm**

Our hearts get broken **A**

But we never give up

The number one rule of the sad girls club

Is to never ever give up on love

[Refrão]

We all have so many emotions

We're all so lovesick

We don't know what we are doin'

But we all it's ok to cry sometimes

Because the sad girls are the ones

Who feel alive

[Final]

We are lost but we are alive

Beautifully fly

Dramatic, obsessive

But we always know

That we're doing our best

Even when life's a mess

Get knocked down

Get back up again

We will never ever give up on love

Beautifully fly

Dramatic, obsessive

But we always know

That we're doing our best

Even when life's a mess

Get knocked down

Get back up again

We will never ever give up on love
