Ab
Nothing new to say, nothing to report cause
     Fm    Dbm             Ab

But forever seems so far away

[Refrão]

E                   Abm         Gb
I fell apart in your arms for the last time
           E                  Abm
And I felt free to do what I want
                 Gb
Because of the things you told me
             E              Abm
Because of the things you told me
         Gb         Ab
You told me, I felt free

[Segunda Parte]
