Something happens when
Am G
You're caught searching for an answer

When you're stuck in the middle
Am G
Of a place that you don't belong yeah
Am G

When you start to lose sight of what's right and wrong yeah
Am G

'Cause when we started it was innocent

'Cause when we started it was innocent

I will carry you through the hurricane waters
Am G
And I'll remember you in the blue skies
Am G

See I will carry you in the hurricane waters
Am G

And I'll remember you in the blue skies

Am
Until we meet again

Until it's like it was

G
Until then

Am
Until the answers start raining down

G
Until the skies open up until the trumpet sounds
Am

Until then

G
Until the city and the country ain't divided
Am

Until then

G
Until the spirit and the mind ain't fighting

Am
Until the scenes of tomorrow and today finally play

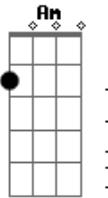

Am G
I will carry you through the hurricane waters

Am G
And I'll remember you in the blue skies

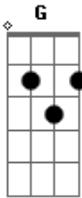

Am G
See I will carry you in the hurricane waters

Am G
And I'll remember you in the blue skies
