I've been told so many times that it's my pride

Em

But no, it's an issue with they're eyes

Forget the blood, just give it time

G

The more we wait, the more it dies

No one wants to see me as the victim, too

Who cares? They can see it as they choose

Out of sight, out of mind

Am

If no one speaks then we'll be fine

Forget the blood, just give it time
