

# Citizens & Saints - Relent

Tom: E  
Intro: Gbm E Abm A (x2)

Parte 1:

Gbm E  
If I gained the world would it be worth the price?  
To work these hands to death and not be satisfied  
If every effort brought another sleepless night  
I'd be so tired

Gbm E  
I have strived enough to know that this divide  
Could never be repaired through countless second tries  
Still I stay in the course avoiding what is right  
Now I'm so tired, I'm just so tired

I relent  
There is nothing for me here  
You can have it all my life is not my own  
You give life  
That is worth the loss of mine  
I surrender all I have to follow you

Parte 2:

Gbm E  
I have traded cherished truth for worthless lies  
Raging through the earth for treasure I couldn't find  
Wallowed in the mud for nothing but my pride  
And I'm so tired, I'm just so tired

Parte 3:

Gbm E  
I just want to live in peace  
And I'm struggling to believe  
That letting go will give me peace  
Can I sit here at your feet?  
Cause this is right where I belong  
Yeah I can feel it in my soul  
You say I'm right where I belong

A E Dbm B  
And I know that I belong!  
Yeah, I know that I belong!  
I know that I belong!  
I know that I belong!
