

# City And Colour - As Much As I Ever Could

Tom: C  
Intro: Am Em F E

Am  
Love of mine  
Em  
Won't you lay by my side  
F  
And rest your weary eyes  
E  
Before we're out of time  
Am  
Give me one last kiss  
Em  
For soon, such distance  
F  
Will stretch between our lips  
E  
Now the day's losing light

Am Em F  
oooooooooooooooo

C G F  
Bring me your love, tonight  
C G F  
Bring me your love, tonight

Am  
Lost at sea  
Em  
My heart beat is growing weak

F  
Hoping you'd hear my plea  
E  
And come save my life  
Am  
As the storm grew fierce  
Em  
An angel was certainly near  
F  
I knew there was nothing to fear

C G F  
Bring me your love, tonight  
C G F  
Bring me your love, tonight  
C G F  
No I am not where I belong  
C G F  
Bring me your love, tonight

C G F  
No I am not where I belong  
C G F  
So shine a light and guide me home  
C G F  
No I am not where I belong  
C G F  
So shine a light, guide me back home

Am Em F E
