So there goes my life,

Passing by with every exit sign.

It's been so long,

Sometimes I wonder how I will stay strong.

No sleep tonight,

I'll keep on driving these dark highway lines.

And as the moon fades,

One more night gone, only twenty more days

But I will

see you again, I will see you again,
a long time from now.

So there goes my life,

Passing by with every departing flight.

It's been so hard,

So much time so far apart.

And she walks the night,

How many hearts will die tonight?

And will things have changed?

I guess I'll find out in seventeen days.

But I will

see you again, I will see you again,
a long time from now.

My body aches, And it hurts to sing

No one is moving.

And I wish that I weren't here tonight,

But this is my life. And I will

see you again, I will see you again,
a long time from now. And I will

see you again, I will see you again,
a long time from now.
