

City And Colour - Killing Time

```
tom:
                A (forma dos acordes no tom de G )
Capostraste na 2ª casa
Intro: Em Am
[Primeira Parte]
What if you're here when I'm not ready?
What if I'm not willing to listen?
                    Am
I hope these devils never leave me
Cause I keep taking what they're giving
[Refrão]
Right now it feels like killing time
I'm running from the shadow of my former shadow's life
Sometimes I wonder if I was ever really there?
Right now it feels like killing time
[Segunda Parte]
Lately I've been thinking about
Just who I'm supposed to be
```

```
There are lines forming on my hands and face
Before today I have never seen
[Refrão]
Right now it feels like killing time
I'm running from the shadow of my former shadow's life
                     D
Sometimes I wonder if I was ever really there?
Right now it feels like killing time
[Ponte] C D
Killing time, oh
Killing time, oh
[Refrão]
Right now it feels like killing time
I'm running from the shadow of my former shadow's life
            G
                    D
Sometimes I wonder if I was never really there?
Right now it feels like killing time
```
