

City And Colour - Living In Lightning

tom:

[Primeira Parte]

I'd rather walk alone
Than stand in a row
I'd line up everything I own
Decide what should stay and should go

[Segunda Parte]

This life was mine to choose
Yearning to wander through and through
At times I've been battered and bruised
But I'm still breathing in my youth

[Refrão]

Can't you see I'm sorry that I wasn't better at being who you wanted me to be

I've been living in lightning for what seems like eternity
[Terceira Parte]

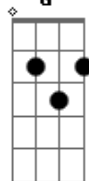

You wear these brooding ghosts
Tighter and tighter round your throat
They're weighing you down like a stone
They might never let you go

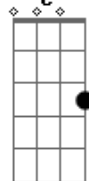

[Refrão]

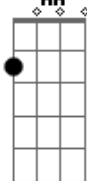

Can't you see I'm sorry that I wasn't better at being who you wanted me to be

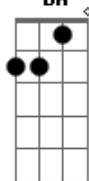

I've been living in lightning
For what seems like eternity
ooooohhhh
I've been living in lightning
For what seems like eternity
