

# City And Colour - Lover Come Back

tom:  
Capostrate na 3ª casa  
Intro: C FM7 F C

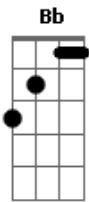

C FM7  
Bound for trouble from the start  
F I've been walking through this old world in the dark  
C FM7  
All along right by my side  
F There you were shining, my ray of light  
C FM7  
I sing, lover come back, lover come back to me  
F Won't you ever come back, ever come back to me  
C FM7  
How could i have been so foolish to let you leave?  
F Lover come back, lover come back to me

( C FM7 F C )

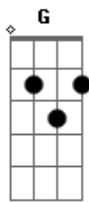

C FM7  
I'll never be as good as i'd like to be  
F Eternally restless, refusing to believe  
D But i think that we missed our connection

FM7  
I wanted to feel your affection  
F Until my final days  
C FM7  
I sing, lover come back, lover come back to me  
F Won't you ever come back, ever come back to me  
C FM7  
How could i have been so foolish to let you leave?  
F Lover come back, lover come back to me  
Am F  
I am warm enough, yet i still shiver  
FM7 I am fed but still i starve  
Am F  
You know me, i am the great misgiver  
FM7 Always waiting on the clouds to part  
C FM7  
I sing, lover come back, lover come back to me  
F Won't you ever come back, ever come back to me  
C FM7  
How could i have been so foolish to let you leave?  
F Lover come back, lover come back to me
