

City And Colour - The Love Still Held Me Near

tom:

Intro: F D F D

F
Awake, awake, my darling

D
The moon is down

F
The waves, the waves

D
They are crashing all around

F
What would you do?

D
What would you say, if I was gone?

F
Losing your breath, toil and sweat

D
Just hold on

Am G
If you say it now

C F
Leave no doubt

Am G
You'd shatter the earth

C F
It's where I will be found

Am G F D
Cause the love still held me near

Am G
Say it now

C F
Then time will disappear

(F D F D)

F
Awake, awake, my darling

D
From your beautiful dream

F
Save me from my sorrow

D

Which burns eternally

F
Oh, hammer me down into the fire

D
I am reborn

F
Let love's energy pour into me

D
I am yours

Am G
If you say it now

C F
Leave no doubt

Am G
You'd shatter the earth

C F
It's where I will be found

Am G F D
Cause the love still held me near

Am G
Say it now

C F
And time will disappear

G F
On still waters the sky lay its head

G F
Hope is hanging on by a thread

Am G
Say it now

C F
Leave no doubt

Am G
Shatter the earth

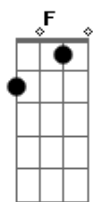

C F
It's where I will be found

Am G F D
Cause the love still held me near

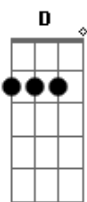

Am G
Say it now

C F
And time will disappear
