

Clairity - Exorcism

Tom: F

Dm C Gm F7
When the TV comes on all by itself
Dm C Gm
Switching channels, losing signal
F7
That's how I know when you're around
Dm C Gm F7
You mess, you mess with my head
Dm C Gm
Playing games so sick and twisted
F7
Just to hear me call for help
Dm C F7 Gm
I'll wait for you to let me go
Dm C F7
Can't wait for you to let me go
Gm
But you won't

Bb Gm
So I'll replay my body and my soul
Dm
Banish the broken from my bones
C
You're no longer my religion
Bb Gm
So I take on a whole new energy
Dm
Manifest a better part of me
C
Gotta rid you from my system
It's time for an exorcism

Dm C Gm F7
When the phone rings, the entire room goes cold
Dm C
I find myself choking on tears and
Gm F7 Dm
Makeshift nooses from the telephone chord
C Gm F7
And your voice, it's like nails on a chalkboard
Dm C Gm
Every time you speak my knees go weak
F7

And I fall halfway out the door

Dm C F7 Gm
I'll wait for you to let me go
Dm C F7
Can't wait for you to let me go
Gm
But you won't

Bb Gm
So I'll replay my body and my soul
Dm
Banish the broken from my bones
C
You're no longer my religion
Bb Gm
So I take on a whole new energy
Dm
Manifest a better part of me
C
Gotta rid you from my system
Bb
It's time for an exorcism

Gm Dm
Uh...It's time for an exorcism
C Bb
Uh...It's time for an exorcism
Gm Dm C
Uh...It's time for an exorcism
And it starts right now, and it starts right now
I would rather die than with you inside, gotta pull you out
And it starts right now, and it starts right now
I would rather die than with you inside, gotta pull you out

Bb Gm
So I'll replay my body and my soul
Dm
Banish the broken from my bones
C
You're no longer my religion
Bb Gm
So I take on a whole new energy
Dm
Manifest a better part of me
C
Gotta rid you from my system
Dm
It's time for an exorcism
