How did I try		I'm on my own	
	E	I'm on my own	
To get you off my mind?		E	
	B	I'm on my own	
Could this be the end		I'm on my own

With you and everything?		B

Hope that I see you soon		E	
		For you	
	E	B	
		But that's just too hard for anyone to do	E
