<sup>D</sup>  
I'd run the risk of losing everything  
<sup>C</sup>  
Sell all my things, become nomadic  
<sup>D</sup>  
I'd run the risk, and just in case I might  
<sup>C</sup> <sup>G</sup>  
Sell all my things and become the night

<sup>D</sup>  
Oh, it's hard to believe  
<sup>G</sup> <sup>C7</sup> <sup>D</sup>  
It's even irrational for me

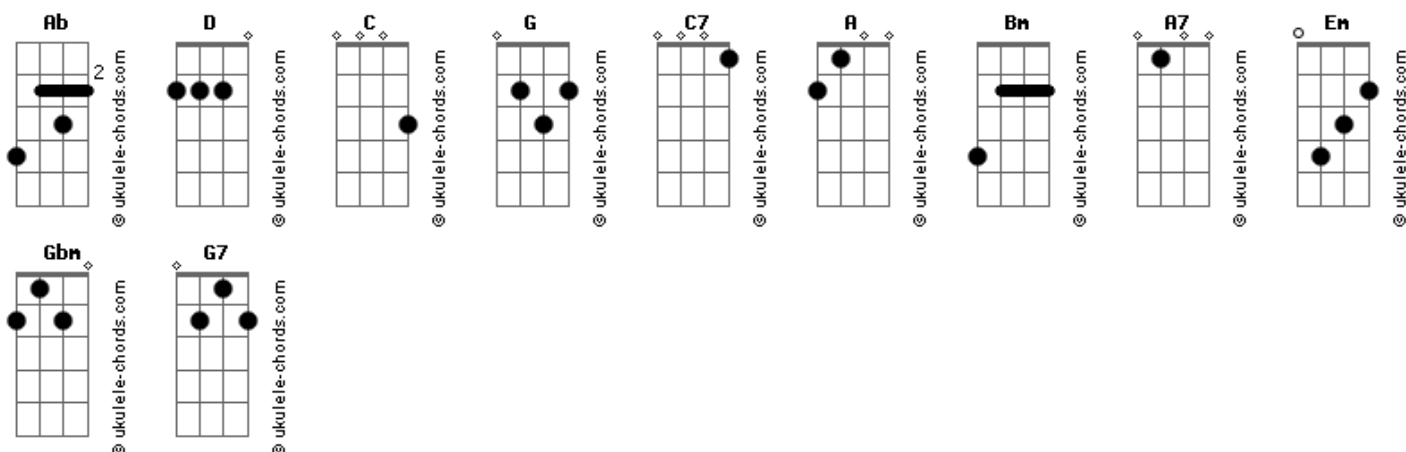

<sup>A</sup>  
I'm cynical, a mess  
<sup>C</sup> <sup>Bm</sup>  
I'm touch starved and shameless  
<sup>A</sup> <sup>A7</sup>  
Mmm, hmm

<sup>G</sup> <sup>A</sup>  
But I'd rather be alone than a stranger  
<sup>C</sup> <sup>G</sup>  
You'd come visit me late at night  
<sup>Em</sup> <sup>A</sup>  
I'd rather wake up alone than be reminded  
<sup>C</sup> <sup>G</sup>  
Of how it was a dream this time

<sup>D</sup>  
I'd run the risk of losing everyone  
<sup>C</sup> <sup>G</sup>  
I'd sail and say my phone was overboard  
<sup>D</sup>  
I'd run the risk, and just in case I might  
<sup>C</sup> <sup>G</sup>  
Take a ship around the world to find

<sup>D</sup>  
Oh, where you hid the key?

I just think of you, nothing I do

Can help it now  
<sup>A</sup> <sup>A7</sup>  
Guess I'll have to find  
<sup>G</sup> <sup>A</sup>  
That I'd rather be alone than a stranger
