

# Clairo - Pier 4

tom:

E

[Verse 1]

E E7 A  
And if you need to disappear  
E E7 A  
You'll have no reason to be sad at all  
E E7 A  
You'll strike your own matches to logs  
E E7 A  
May catch an eye while you play sad and  
Soft  
E E7 A  
And if you're walking home alone  
E E7 A  
You'll find a reason, you'll just chalk it  
Up  
E E7 A  
To being different, being young  
E E7 A  
And wonder why no one knew you at all

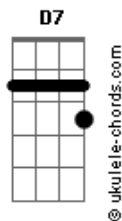

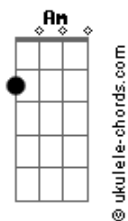

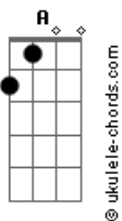

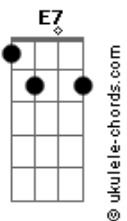

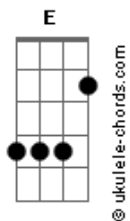

[Chorus]

A E  
Oh, you're just playin' dumb  
E7 A  
What's the cost of it, of being loved?  
Am E  
When close is not close enough  
E7 A  
Where's your line, when do you draw?  
Am E  
When close is not close enough

[Post-Chorus]

E7 A

[Verse 2]

E E7 A  
And when you find you're at the pier  
E E7 A  
Playing out moments when there was a touch  
E E7 A  
With strangers touching everywhere  
E E7 A  
You wonder if he knows she's gonna run

[Chorus]

A E  
Oh, it's somethin' you've done  
E7 A  
Opened my hands and I know I've shut some  
Am E  
When close is not close enough (Ooh, ooh  
Ooh)  
E7  
Where's the fun in it? And now I'm too  
A  
Tough (Ooh, ooh, ooh)  
Am E  
From close being just too much

E7 A
