

# Clairo - Pretty Girl

tom:

G

F7M C7M

Polaroid of you dancing in my room

F7M C7M

I want to remember

I think it was about noon

F7M C7M G

It's getting harder to understand, to understand

F7M C7M

How you felt in my hands, in my hands

F7M C7M

I could be a pretty girl

C F7M

I'll wear a skirt for you

F7M C7M

And I could be a pretty girl

C C7M

Shut up when you want me to

F7M Am

I could be a pretty girl

C7M C

Won't ever make you blue

F7M C7M

And I could be a pretty girl

C F7M

I'll lose myself in you

Am C7M C

I was so blinded by you, now I cry

F7M C7M

Just thinkin' 'bout the fool that I was

C

I was such a fool

Am C7M

I'm alone now but it's better for me

F7M C

I don't need all your negativity

F7M C7M

I could be a pretty girl

C F7M

I'll wear a skirt for you

F7M C7M

And I could be a pretty girl

C C7M

Shut up when you want me to

F7M Am

I could be a pretty girl

C7M C

Won't ever make you blue

F7M C7M

And I could be a pretty girl

C F7M

I'll lose myself in you
