

Clairo - Pretty Girl

tom:

G

F C

Polaroid of you dancing in my room

F C

I want to remember

I think it was about noon

F C G

It's getting harder to understand, to understand

F C

How you felt in my hands, in my hands

F C

I could be a pretty girl

C F

I'll wear a skirt for you

F C

And I could be a pretty girl

C C

Shut up when you want me to

F Am

I could be a pretty girl

C C

Won't ever make you blue

F C

And I could be a pretty girl

C F

I'll lose myself in you

Am C C

I was so blinded by you, now I cry

F C

Just thinkin' 'bout the fool that I was

C

I was such a fool

Am C

I'm alone now but it's better for me

F C

I don't need all your negativity

F C

I could be a pretty girl

C F

I'll wear a skirt for you

F C

And I could be a pretty girl

C C

Shut up when you want me to

F Am

I could be a pretty girl

C C

Won't ever make you blue

F C

And I could be a pretty girl

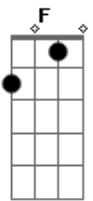

C F

I'll lose myself in you
