

Clarice Falcão - Fred Astaire

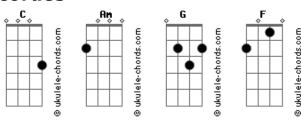

C
Could you hear it?
Am
All the birds singing while we talked there
And my heart beating,
G
oh, Fred Astaire
F
In an eternal musical

C
Or was I crazy?
Am
Did I imagine we were perfect?

Did I started alone
G
a first act
F
Of a romantic two men show?

C
Can you save me?
Am
Do I deserve perhaps a maybe

Acordes

To the will you ever call me baby?

F
Eternal question in my mind

C
I sure hope so

Am
Don't feel compelled to anything, though
G
Just because I think watching you go
F
Is the saddest thing that I can find

C
I'll survive it

Am
Being an extra in your story
G
I'm fine with it, so don't be sorry
F
I can be lady 22

C
If that's it, then

Am
Just keep my part completely silent
G
Give me a tiny little line and
F
C
I will change it to I love you
