Verse 2:
```
     You try to be smart, then you   take it to heart
     'Cause it hurts when your ego is deflated
     You don't realize that it's all compromise
     And the problems are so overrated

     Goodbye means nothing if it's just for show
     So why pretend you've somewhere else to go
```

{repeat Chorus to fade}
