D Gbm
I'm lying alone on the floor
With a feather Bm G
I found in my hand
I wanna believe D Gbm
it's from you
But I just don't Bm G
think that I can
If there's Em Gbm
a God then you'd still be here
And a heaven Bm G
then why Am I in hell
I'm lost D Gbm
and I'm looking for signs
And maybe A A
I'm just fooling myself
But I swear G A Bm
down my spine I'm getting shivers
Like we Bm D Gbm
kissed for the very first time
Tho the Gbm G D
tears are streaming down like rivers
I know Bm D A
I asked you to give me a sign
I'm not G A Bm
scared tho my body starts shaking
I can Bm D Gbm
almost feel you drying my eyes
And Gbm G D
even tho my heart is breaking
I know Bm D A
you love me from the other side
Now D Gbm Bm G
I see the signs I see the signs
D Gbm

I Keep finding myself on the street
Staring Bm G
at you from behind
Then I D Gbm
reach out to turn you around
But I'm Bm G
