

Cludio Lyra - A Gata e o Peixe

tom:

Intro: Bb Db G

O seu sorriso é como um raio de sol

E o seu beijo é como um anzol

E eu sou um peixe, e fui fisgado por ele

Só entende isso quem já se apaixonou

Você me olha e me mostra os dentes

E o seu cheiro toma conta do ambiente

E se aproxima, desse jeito felino

Cair nas suas garras é o meu destino

Você precisa me dizer

O que é preciso acontecer

Pra eu ficar pra sempre junto aos seus pêlos

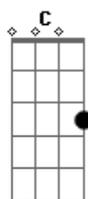

Me dá um frio na espinha

Quando eu beijo a sua boca

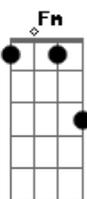

E uma vontade louca de perder a linha

Só entende isso quem já se apaixonou
