

Cludio Lyra - As Canções Jamais Escritas

tom:

Intro: G7M G Gm7 Gm7

G7M G Cm7 F7

Tantas coisas nunca ditas

Nas canções jamais escritas

Sobre aqueles que tomaram outros rumos

(G7M G Gm7 Gm7)

É bom rever você

Cm7 D7 Gm7

Tanto tempo que eu nem sei o quanto

Eb7 Am7 D7 Eb7M

E no entanto, seu sorriso continua tão bonito

Podia ter escrito

Uma canção sobre os seus olhos castanhos

Que agora são pra mim apenas dois estranhos

Mas é bom rever você

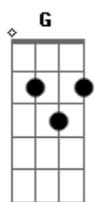

Tanto tempo que eu nem sei o quanto

E no entanto, seu sorriso continua tão bonito

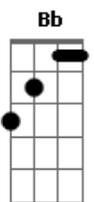

A vida é engraçada certas pessoas ressurgem do nada

A vida é engraçada certas pessoas ressurgem do nada
