Tom: A  
Intro: A G A D G

**Gbm** <sup>A</sup>  
Years and years are passing straight ahead of me

**Gbm** <sup>A</sup> <sup>B</sup>  
Beyond the horizon is the tune that drives my soul  
<sup>D</sup>  
The shape of the things that I've wrote and spoke

<sup>A</sup> <sup>B</sup>  
I might be wailin? and cursing  
<sup>D</sup>  
But things are goin? reasonably fine  
<sup>A</sup> <sup>B</sup>  
I could be defeated but I feel like  
<sup>D</sup>  
Feel like, feel like, feel like

**Gbm** <sup>A</sup>  
The shadows from the past I keep in a secret place  
**Gbm** <sup>A</sup>  
Time makes you roll and shake like in a crazy race  
**Gbm** <sup>A</sup>  
My ghosts were swept aside and now they're gone  
<sup>B</sup> <sup>D</sup>  
What there was in the past now is over and done

<sup>A</sup> <sup>B</sup>  
I might be wailin? and cursing  
<sup>D</sup>  
But things are goin? reasonably fine  
<sup>A</sup> <sup>B</sup>

I could be defeated but I feel like  
<sup>D</sup>  
Feel like, feel like, feel like

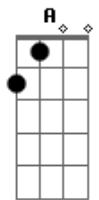

<sup>A</sup> <sup>G</sup>  
Better than wine  
<sup>A</sup> <sup>D</sup> <sup>G</sup>

**Gbm** <sup>A</sup>  
Sweeping winds are changing places out there  
**Gbm** <sup>A</sup>  
Is time of coloring the concrete and start to dare  
**Gbm** <sup>A</sup>  
I'm growing up towards the sparkling blue  
<sup>B</sup> <sup>D</sup>  
I've been working in silence but now's time to breakthrough

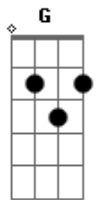

<sup>A</sup> <sup>B</sup>  
I might be wailin? and cursing  
<sup>D</sup>  
But things are goin? reasonably fine  
<sup>A</sup> <sup>B</sup>  
I could be defeated but I feel like  
<sup>D</sup>  
Feel like, feel like, feel like
