Cláudio Oliveira - So Many Ways To Say I Love You

Tom: A

```
            A                    E
You're my baby, my loving, my life
     Gbm                 D
But, sometimes you just say not being sure
     A
And when I hold you I?m my arms
E
You can feel my beating heart
Gbm
  So, look into my eyes
                        D
And tell me that ain't nothing wrong

A
Tell me that this song
Is not the song that you've been waiting for
E
Tell me that my love
Is not the love that you knew before
Gbm
Kiss me, never miss me, don't mistreat me
      D
Just take my hand and let me show you
A                E    Gbm
That my love is true

D                                A
  So many ways to say I love you
 E  Gbm                          D
     So many ways to say I love you

Dbm                  Bm
  I can't give you the sun above
Dbm                  Bm
  But I can show it you all the mornings
Dbm                  Bm
  You've been my only love
        A          E
  Only you know my   yarnings
```
