Verso 1
She works the night, by the water
She's gonna stress, so far away
From her father's daughter
She just wants a life for her baby
All on her own, no one will come
She's got to save him (daily struggle)

Pré-refrão
She tells him "ooh, love, no one's ever gonna hurt you, love
I'm gonna give you all of my love
Nobody matters like you"
She tells him "your life ain't gonna be nothing like my life
You're gonna grow and have a good life
I'm gonna do what I've got to do"
