Tom: **Eb**

(forma dos acordes no tom de **C**)
Capostrate na 3ª casa

I've been hearing symphonies **Am**
Before all I heard was silence **C**
A rhapsody for you and me **Am**
And every melody is timeless **C**
Life was stringing me along **Am**
Then you came and you cut me loose **C**
Was solo singing on my own **Am**
Now I can't find the key without you **C**

And now your song is on repeat **F**
And I'm dancin' on to your heartbeat **Am**
And when you're gone, I feel incomplete **F**
So if you want the truth **G**

I just wanna be part of your symphony **F**
Will you hold me tight and not let go? **Am**
Symphony **Am**
Like a love song on the radio **G**
Will you hold me tight and not let go? **Em**

I'm sorry if it's all too much **C**
Every day you're here, I'm healing **Am**
And I was runnin' out of luck **C**
I never thought I'd find this feeling **Am**
'Cause I've been hearing symphonies **C**
Before all I heard was silence **Am**
A rhapsody for you and me (A rhapsody for you and me)

And every melody is timeless **G**
