

## Clemente Verdugo - Estrela Perdida

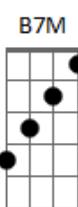

tom:  
 Gm                    Gm7                    Gm                    Cm      D7  
 Fiz uma canção e abri mão do meu amor  
 Gm                    Gm7                    Gm  
 Ela me deu uma estrela e era tão bela  
 Cm                    D  
 Mas se perdeu aonde foi  
 Dm  
 Agora doi  
 E7                    A7  
 Hoje foje  
 Gm                    Gm7                    Gm  
 Do céu que é meu e é teu  
 A7                    D7  
 E é paz e atrás  
 Cm7                    B7M                    A7                    A7  
 Vem tantas coisas que traz  
 Cm7                    B7M                    A7                    D7  
 Tantas estrelas demais

Gm                    Gm7                    Gm                    Cm                    D7  
 Sim eu te perdi vida é assim não tem control de nada

Gm                    Gm7                    Gm                    Cm                    D  
 Mas eu te amarei procurarei talvez possa encontrar de novo  
 Dm  
 Se não eu roubo  
 E7  
 Se não eu tento  
 A7  
 Invento  
 Gm                    Gm7                    Gm  
 Um adeus meu deus teu deus  
 A7  
 Qualquer  
 D7  
 Que você quer  
 Cm7                    B7M                    A7                    A7  
 Pode me dar uma vela  
 Cm7                    B7M                    A7                    A7  
 Pra velejar a tua estrela  
 Cm7                    B7M                    A7                    A7  
 Pode me dar uma vela  
 Cm7                    B7M                    A7                    A7  
 Pra velejar uma estrela
